香港認知障礙症協會 賣旗日

2026年 11月21日(星期六)

為專門服務認知障礙症人士的日間中心籌募善款
創造更多美好記憶

認知障礙症不只是「記性差」，而是腦部病變影響認知功能，
令記憶、日常生活能力及情緒行為逐漸出現變化。
透過及早介入及支援，認知障礙症人士仍能發揮能力，
保持生活質素。

Support HKADA Day Centre Services.

Create more meaningful moments for people living with dementia.

Dementia is more than memory loss. It affects memory, daily abilities, behaviours and emotions. With timely support and care, people living with dementia can continue to use their abilities and maintain quality of life.
